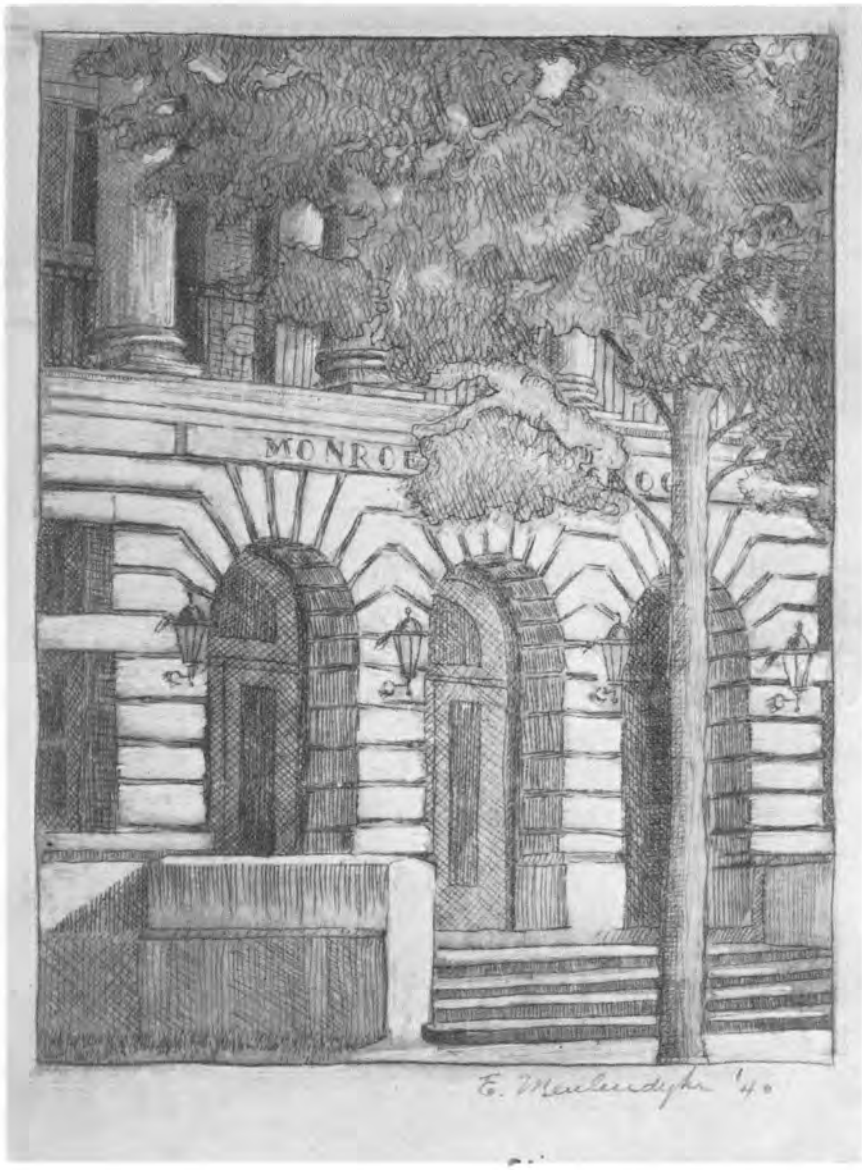
MONROE HIGH SCHOOL

ROCHESTER, N. Y.



"—And when we've gone, may we recall
The joys of student days."

FOREWORD

WE'VE HEARD THEM TALK OF "STUDENT JOYS,"
OF ALL THE CAREFREE GIRLS AND BOYS
WHO'VE STUDIED, WORKED TO GAIN PRESTIGE
BUT JOINED "THE CROWD" WITH PERFECT EASE.
WE *HAVE* ENJOYED THE THINGS WE'VE DONE,
THE FUN WE'VE HAD, THE GAMES WE'VE WON
AND THOUGH WE PART IN EVERY WAY,
WITH JOY RECALL EACH "STUDENT DAY."

HE'S TOPS

For his pioneering work in the advancement of high school journalism throughout the state; for his efficiency in correlating the activities of the Visual Education Corps, Monrolog, Monroe Life, and Kaleidoscope; for his indefatigable efforts to make Monroe High School even better, and for the honest and sincere respect which the students have for him, we, the Senior Class of Monroe, are proud to dedicate this, the 1948 Monrolog, to Mr. Charles H. Carver.

there's solid satisfaction in paying the costs of beauty!

Faculty

C. Everett Woodman
Vice-Principal

Dear Mr. Woodman:

At the beginning of this year we were very happy to welcome you as vice-principal of Monroe. In your first year here you have made many friends and have become an indispensable part of our school. We have come to appreciate your sympathetic, understanding treatment of our problems, your willingness to help us, and your interest and participation in student activities. We remember you in many roles: friend, helper, adviser, as well as a talented actor. We know that the oncoming classes are lucky in having a chance to get to know you even better.

Sincerely yours,

The Class of 1948

Our Vice-Principal

MISS MARY A. SHEEHAN, *Principal*

Dear Miss Sheehan,

THE SENIOR CLASS OF 1948 will not forget your understanding, conscientious, and kind ways. Your first year as principal of Monroe has indicated the profoundly meticulous, genuine, and benevolent administration of which you are capable. Your quiet, prepossessing manner had won for you the confidence, respect, and loyalty of all Monroe students and teachers. We thank you, Miss Sheehan, for the generous contribution you have made to our school life, and wish you continuing success at the involved assignment you have so creditably begun.

Sincerely yours,

THE CLASS OF 1948

TABLE TENNIS

Table Tennis, sometimes known as Ping-pong, is now big time sport.

Only those who have seen table tennis champions standing fifteen feet behind the table smacking that celluloid pill can appreciate the potentialities of the sport.

BADMINTON

Badminton was originated in India and had its chief development in England. It is an older game than Tennis.

The game is played extensively in England and Canada, and in recent years has gained a decided foothold in the United States.

ICE SKATING

Fun was had by all the members of the ice skating club this winter, at the Cobbs Hill Park ring.

JUNIOR AND SENIOR SOFTBALL

Softball is a game which everyone enjoys at Monroe. There are many participants in this game since it requires skills which are easily acquired by the player.

VOLLEYBALL

The appeal of volleyball lies in its simplicity. Easily learned, it is a fascinating sport to play, excellent for teaching quick footwork and body control; suitable for every age.

The Girls' Athletic Association was organized in Monroe this year to further the activities of the Physical Education Department.

The Association, in connection with the other schools, attempts to equalize the point system and to arrange playdays between schools in such sports as basketball and baseball.

With Mary Beach as President, Connie Wendt as Vice-President, and Marjorie Ott as Secretary, they represent the girls of Monroe at the inter-high school meetings.

The present officers hope that the Girls' Athletic Association will continue to represent the best in girls' sports at Monroe.

SWIMMING

Classes in life saving have been conducted successfully at Monroe each spring for many years. Response has been good and enthusiasm and interest keen.

To qualify for senior certification, students must have passed their seventeenth birthday to be eligible.

SENIOR BASKETBALL

Basketball is one of the most popular sports for Monroe girls. Emphasis is given to the participation of many rather than few who are expert. Intramural tournament games are on the Round Robin basis, rather than the Elimination type.

Monroe's '47-'48 court aggregation started out to defend their titles of the previous season by dropping a close contest to East. After that, the team took the rest of the league in Monroe style, until the start of the second half, when we were again defeated by East. During this half, the Redjackets were defeated by a strong Marshall quint, also. This made necessary a playoff for the runnerup spot with West. The Red Shirts came out on top, as they did a week later in the Sectional quarter-finals against Batavia. Hornell was the next stop, and Monroe bested them to set the stage for the season's third East game. The Orientals toppled us once again, to take the Section V, AA, title.

Our neighbors from the Twelve Corners, Brighton, were defeated twice as Monroe retained the Hi-Y Trophy. Two 'Jackets were placed on the all-scholastic squads, and a duo on the all-sectional quint.

Reserve Basketball

The Monroe Reserves, having one of the most successful seasons since' 41-'42, finished the season tied with Madison for the city reserve championship. Led by Bill Miller, 6′4″ pivotman, the Jayvees took their first eight games before being defeated by Dip Murray's Wilson Parkers. Other stellar performers were Bob Burnham, Dave Anderson, Don Hettig, Bob Hicks, and Ken Hagan.

Sparked by a fast moving forward line and a powerful backfield, the Monroe booters completed a successful season. The team, studded with several veterans of the previous year, began the season tying West, 3-3, in a hard fought game. This was followed by two victories over Madison and Franklin, 7-3, and 2-1, respectively. After this came the only defeat of the year, handed to the team by Edison to the tune of 3-2. This was followed by two more ties, Jefferson, 0-0, and East, 4-4. The season came to a climax by defeating the remaining two teams, Marshall and Charlotte, 4-2, and 7-0.

Due to lack of material, the wrestling teams of past years have not been too successful. With the expert coaching of Mr. Joe Arlucas, these boys have worked hard showing a big improvement. This year the team has encountered strong competition with various schools but all the meets have been fought hard and close. Some of the boys are outstanding wrestlers but the entire team deserves a lot of credit.

Yea team! Yes, the cheerleaders have been right behind the teams . . . cheering them in victory and supporting them in loss. They have worked hard this year under the direction of Miss Pooler who helped them to perfect their uniform coordination. Under a new system they have enlarged their number to include five freshmen who lead the cheers at reserve games. Elected by a popular vote of students and teachers, they have been an inspiration to all.

Cheerleading

Monroe, by finishing in a fourth place tie in the Interscholastic League, had its most successful season in four years. In Mr. Blair's second year of coaching since returning from the war, he built a team which won three games and lost three. This was a great credit to him and to Mr. Sobie, his assistant and line coach. Monroe scored in every game, shutting out Marshall, 19-0. They amassed a total of 68 points this year, in contrast to last year's six points. With only four of this year's starting eleven graduating, Monroe proves to be a pennant threat next year.

Mr. Wallace believes that he has good material for next year with the swimmers who will return, and the junior swimmers of this year.

Coach Lee Ackley's Hill-and-Dalers had their best season in history, overcoming all eight city schools in league meets, and running to a 57 point tie with West in the annual Section V championship at Geneva.

Arnold Bellucci was undefeated against all comers, until teammate Bob Nesbitt sprinted past him in the Sectionals. Bellucci finished second.

In the first league meet, Edison and West fell to the tune of 30-38-52. The Redjackets put together a perfect score against Franklin, taking the first twelve places. Madison and Marshall were defeated 21-50-60. In the final meet of the year, East High's defending champs were knocked to fourth place as Monroe won 23-40-69, in a meet including Jefferson.

The league did not get started until late in the season due to poor weather, but this did not stop the Redjackets from winning their first four games. The team came up againt some excellent pitching on the part of opposing hurlers in their last four games and they dropped these contests. However, the team finished in a tie for third place in the league standings on the strength of their strong start.

Track

Coach Lee Ackley's Cindercrushers had an average season conquering five schools and bowing to three. The team finished in fourth place, behind Edison, East, and West.

Bob Hawes was the sprint sensation of the city, turning in eight consecutives firsts in the century and the furlong. After being upset in the 100 yd. dash, Hawes came back to win the 220 title in city championship competition, and went on to be runnerup in both Section V sprints, being judged second in the 220 in a photo finish.

Among Monroe's other Sectional qualifiers were Sonny Bellucci, Tony DiStefano, and Lou Baxter, who captured second in the city championship 440, high jump, and shot put, respectively. DiStefano tied for third in the Sectionals.
